Entrance Procedures for SaskEnergy Mini Jamborees Parents / Players / Coaches

Please pass this information to all of your team parents and coaching staff before November 15th so that everyone is aware of the entrance procedures for the jamborees.
Thank you!

Admission: No admission charges.

Parking: North East and North West parking lots as well as an overflow parking across the street from the North Entrance.

Entrance: North Entrance of the SaskTel Sports Centre (same main entrance as the Centennial High School)

- When you come into the commons area (North Entrance) you will find labeled tables with the corresponding field you are to be playing on in the game schedule. Please meet at the table that has your field posted. This will be your meeting place before and after the game.
- If you do not know what field you will be playing on ask your coach before arrival or refer to the admissions staff and they will help direct you.
- **Parents will take their children's coat/boots/etc with them upstairs to the spectator viewing area.** This will ensure boots/jackets do not get mixed up or stolen in the Commons Area.
- Coaches will begin lining up their team by the field entrance doors 10 minutes prior to the start time. When instructed they will take their entire team with them to the field. **Parents will not be allowed to accompany children into the lower level (playing fields, walking track, etc).**
- When the game is completed parents and children meet at the same table in the commons area.
- Any late payers will be escorted onto the field by an admission staff.
